

WELCOM TO

THE FLAME PETROCHEMICAL

The Flame Petrochemical is an Omani company delivering innovative drilling solutions for the oil and gas industry since 2013.

ABOUT THE FLAME PETROCHEMICAL

2013 – 2025

The Flame Petrochemical is a proud Omani enterprise established in **2013**. We bring together **global expertise** and **local insight to deliver advanced well placement** and directional drilling solutions tailored for the oil and gas sector.

Driven by a commitment to reliability, innovation, and technical excellence, our mission is to meet and exceed the ever-evolving demands of the energy industry.

OUR JOURNEY

Our journey began in **2012** with our first venture in healthcare. In 2014, we launched Anaya, followed by Score Matrix and Blu LED in 2018. In 2022, we reached **another milestone with the establishment of Scan Lab.**

2012

Entered the healthcare sector.

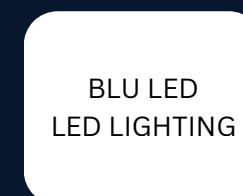

2014

Launched Anaya.

2018

Introduced Score Matrix.

2018

Started Blu LED Lighting.

2022

Established Scan Lab.

WHY CHOOSE US

Proven Industry Experience

Years of expertise in the petrochemical sector, delivering reliable and effective solutions.

High-Quality Service

Commitment to excellence with consistent quality, safety, and customer satisfaction.

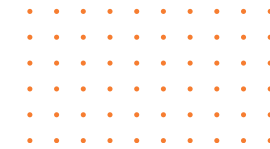

Skilled Workforce

A team of trained professionals equipped with the knowledge and tools to deliver outstanding results.

OUR VISION

01.

Market Leadership & Innovation –

Lead the local and global petrochemical market by delivering reliable, efficient, and innovative solutions.

02.

Quality & Customer Excellence –

Maintain consistent quality with zero defects and exceed customer expectations through continuous improvement.

OUR MISSION

01.

Achieve Excellence in Quality

Deliver superior quality across all operations, ensuring products meet the highest industry standards.

02.

Optimize Costs

Maintain efficiency in processes to offer competitive pricing without compromising performance.

03.

Exceed Customer Expectations

Consistently provide innovative solutions and exceptional service that go beyond client needs.

OUR SERVICE

Transportation

Reliable and efficient delivery of petrochemical products to any location, ensuring timely and safe arrival.

Storage Facility

Secure and well-maintained storage solutions for various petrochemicals, available in multiple capacities.

Bunkering

Reliable and efficient delivery of petrochemical products to any location, ensuring timely and safe arrival.

Blending

Customized blending services to meet specific product requirements with consistent quality.

Consultancy

Expert guidance on petrochemical operations, compliance, and process optimization.

OUR SERVICES

“

At The Flame Petrochemical, we offer a comprehensive range of services including transportation, storage facilities, blending, consultancy, and bunkering. We specialize in advanced well placement and drilling support for both onshore and offshore oil and gas operations. With cutting-edge tools and skilled professionals, we ensure safe, precise, and cost-effective delivery for every project.

OUR PRODUCTS

Crude & Petroleum Products

Crudue oil

- Light Crude oil
- Fuel oil
- Recycled Base oil of different grades.
- Mineral Turpentine Oil (MTO)
- Monoethylene glycol (MEG)

Diesel

- 10 PPM
- Light Fuel Oil
- Heavy Fuel Oil 180/360
- Virgin Base oil of different grads
- Furnace oil
- Black Diesel

Petrochemicals

- Naphtha
- Kerosene
- Wight spirit
- Bitumen
- SULPHUR
- UREA
- Heavy Aeromatics

Jet fuel

**Customized Products based
on customer requirements.**

**Marine
Distillate oil**

At The Flame Petrochemical, we offer a wide range of high-quality crude oil, diesel, and petrochemical products to meet the diverse needs of our global clients. From premium-grade fuels to specialized petrochemicals, our products are sourced and processed to ensure reliability, efficiency, and performance across industries.

MEET OUR TEAM

Our strength lies in our highly skilled and experienced team of professionals, engineers, and technicians. We are committed to delivering optimum results and ensuring complete customer satisfaction through dedication and focus.
